The Solid Axle Club (SACC) is a national organization devoted to the first generation Corvettes— those manufactured from 1953-1962. The Sunshine State Chapter of SACC serves SACC members located in the Florida Area – both full time residents and Snow Birds. The Sunshine State Chapter sponsors various club events throughout the state which allow members to get together to share technical information, their enthusiasm for the hobby, and to engage in club rides.

SACC Membership information can be found on the web at [www.solidaxle.org](http://www.solidaxle.org) and Sunshine State Chapter membership information is located at [www.sssacc.org](http://www.sssacc.org).
